Lee Public Library

Bulletin Board Policy

The Lee Public Library's mission is to provide access to relevant, current, intellectual and cultural information. To this end the library welcomes schools, community groups, organizations and individuals to use the library's bulletin board.

1. Items may be posted which publicize cultural or educational events, local group meetings, fund raising events for non-profit organizations, official Town of Lee business and school district notices.
2. Posted notices will remain no longer than one month, unless event date proceeds one month, in which case notice will be removed following completion of event.
3. Notices of lost pets or items may be posted for one month, or until pet is found.
4. Posted items will be no larger than 8 1/2 x 11 inches. Larger materials may be accepted if space allows.
5. The staff will post all notices that fall under the above requirements as space allows. Posting does not imply endorsement by the library.
6. No postings will be placed at the circulation desk except for those related to library programs and activities.
7. The library director has final say in what items may be posted on the library bulletin boards.

Revised and Approved by the Board of Trustees, April 2022
