## The Library in Pandemic Mode

We are open for in-library visits. We request you wear a mask when visiting the library and limit your time in the library to 15-20 minutes. We have lots of new items to borrow. You can view what is new and what is coming by clicking [here](#).

## Curbside Pickup is Best

Our curbside pickup is very popular! Many of our patrons have been using this option and we hope to "see" more of you in the future!

To take advantage of our hands-free pick up service, please make your requests either by using the [library catalog](#) (best choice), email your requests to [leelibraryill@comcast.net](mailto:leelibraryill@comcast.net) (second choice) or calling and leaving a message 659-2626.

We are doing our best to get your requests ready in a timely manner, but just in case there is any question, you should receive a phone call confirming that your items are ready.

## Yes, You May Return Items to the Library!

Our book drop is open for your returns 24/7. Keep in mind, that your returned items will remain in quarantine for 72 hours or longer before they are checked in to our system.

We especially would like books that belong to other libraries to be returned now. We anticipate being able to send books to their home libraries soon.
