Rosie’s Mom: forgotten women of World War I

Presenter: Carrie Brown [Click here](#) to register.

One hundred years ago, a full generation before Rosie the Riveter, American women rolled up their sleeves and entered war industries where they had never been welcome before. They ran powerful machinery, learned new skills, and faced the sullen hostility of the men in the shops. In this illustrated lecture, historian Carrie Brown reveals their courage and their hard work, asks what impact “the Great War” had on their lives, and explores how these women helped shape the work that their more famous daughters would do in the next World War.

The man in the high castle

by Philip Dick

Monday, February 8, 2020 at 7:00 p.m.

“It’s American in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In San Francisco, the *I Ching* is as common as the Yellow Pages. All because some twenty years earlier the United State lost a war—and is now occupied by Nazi Germany and Japan.” -*flyleaf of the book*

Future Plans for the Library

Conceptual drawing: SMP Architects c2020.

The Library Board of Trustees have started working on the Renovation and Expansion of the library. Our plan is to renovate the current library and, depending on finances, expand the library with a small addition on the north side of the building.

This plan will allow for an expanded children's area in the front section of the library with space for a librarian's desk, a vestibule for the front door, additional stacks located in the back basement with lift access, and an open concept reading and small group meeting space in the addition.

We hope to feature a three-season deck with comfortable seating to enjoy the natural surroundings and allow access for outdoor programs.

In-Library Visits Welcome

We are open for in-library visits. We request you wear a mask when visiting the library and limit your time in the library to 15-20 minutes. We have two public computers available for 30 minutes, and our copier and fax machine are also available. We are always adding more books, DVDs and Audiobooks to the collection. You can view what is new and what is coming by clicking [here](#).

Curbside Pickup is Best

Many of our patrons have been using our curbside service and report that it is convenient and fast! Please make your requests by using the [library catalog](#) (best choice), email your requests to Michelle at leelibraryill@comcast.net (second choice) or calling and leaving a message 659-2626. You will receive a phone call or an email confirming that your items are ready. When the weather is nice, the Curbside Cart is outside on the deck. If not, just pop your head inside and the Cart is right there.

Book Drop is Open 24/7

All items returned to the library will remain in quarantine for 72 hours or longer before they are checked in to our system.

Join us for these Virtual Programs via Zoom on the first Wednesday of each month.

Hosted by the Lee Public Library and the Lee Historical Society.
