General Meeting Policy

Board of Trustees Public Comment Policy

A. General Meeting Policy:

1. Meetings of the Board shall be open to the public in accord with RSA 91-A, the NH right-to-know law.
2. The purpose of Board meetings is for the Board to discuss and act upon matters within its authority. Although public access and observation of meetings is guaranteed under RSA 91-A, the public right to speak or comment is not. However, in the interest of encouraging public participation, the Board may provide opportunity for members of the public to provide input and comment at Board meetings consistent with the meeting and participation rules as described below.
3. This policy will be posted on the Lee Public Library website, and a hard copy will be available in the library policies file.

B. Opportunity for Public Comment:

The Board will provide the opportunity for members of the public to comment on library matters at all regular Board meetings. Public comment periods will not be included on the agenda for emergency meetings or for meetings which are non-public.

To ensure that all persons who wish to appear before the Board may be heard, and to ensure that the Board may conduct its business and meetings properly and efficiently, the Board adopts as policy the following specific procedures and rules pertaining to public participation at Board meetings:

1. Members of the public shall not speak unless recognized by the Board Chair or other person presiding over the meeting (“Chair” shall apply to either in this policy).
2. The Board will schedule the public comment period at the start of the meeting, before the other agenda items.
3. The Board will provide a minimum of thirty minutes for public comment relating to matters on the agenda for the current meeting only. This period may be extended by a majority vote of the Board.
4. Individual speakers will be allotted a maximum of three minutes. Each person may speak one time per meeting. Speakers may not relinquish allotted time to another speaker. The Trustee Secretary will be the timekeeper. If the Secretary is unavailable another Trustee will serve as timekeeper.
5. The Chair may recognize alternating Pro and Con speakers to an agenda topic in order to present multiple viewpoints.

6. To comply with the requirements for meeting minutes in RSA 91-A:2, II, speakers shall identify themselves clearly for the record, stating their full names and their address.
7. During the public comment period, an individual may offer comments on current agenda items only.
8. Defamatory statements, comments threatening bodily harm, or other unprotected speech will not be tolerated.
9. Comments which do not adhere to the above provisions may be ruled out of order by the Chair.
10. People appearing before the Board are reminded that the public comment period is an opportunity for members of the public to provide their input to the Board but is not a question-and-answer session. Board members are without authority to answer spontaneously on behalf of the Board. Thus, in most instances, Board response, if there is any, will be deferred pending consideration by the full Board.
11. The Board will accept written comments from people unable to attend a meeting. Written comments that meet the requirements of this paragraph and other provisions of this policy will either be (a) included in the materials publicly available at the meeting, (b) briefly described in the minutes or (c) attached to the minutes. Written comments must be submitted at least three days prior to a Board meeting, shall include the name and town/city of residence of the commenter, and be limited to 150 words. Anonymous written comments will not be accepted. Only one written comment is permitted per individual for each meeting.

C. Meeting Disruptions

While members of the public have the right to attend and may be allowed to offer input during the public comment period of meetings, they do not have the right to disrupt the meetings. Impermissible disruptions include but are not limited to:

- Shouting at any time or speaking while someone else has been recognized by the Chair.
- Obstructing the view of others with posters or otherwise.
- Refusing to terminate public comment after a speaker's time has expired.
- Any other sustained or intentionally loud noises after the Chair has called for order.
- Any other conduct intended to disrupt the meeting or person speaking.

If, after at least two warnings from the Chair, an individual continues to disrupt the meeting by words or actions, the Chair may direct the person to leave the meeting. Upon refusal, the Chair may request assistance from law enforcement officials to have the individual removed, with the potential for criminal charges.

Interruptions may result in a recess or, provided the thirty minutes for public comment has expired, adjournment of the meeting. The Chair may alternatively move to terminate the public comment period if the meeting is disrupted and a majority vote of the board has confirmed the termination of the public comment period.
