"Where'd You Go Bernadette"
by Maria Semple

"Semple pieces together a modern-day comic caper full of heart and ingenuity....a compelling composite of a woman's life-and the way she's viewed by the many people who share it. ...the nuances of mundane interactions are brilliantly captured, and the overarching mystery deepens with each page, until the thoroughly satisfying dénouement."—*Publisher's Weekly (Starred Review)*

Copies of the book are available at the library. All are welcome to participate.
