## In-Library Visits Welcome

We are open for in-library visits. We request you wear a mask when visiting the library and limit your time in the library to 15-20 minutes. We have two public computers available for 30 minutes, and our copier and fax machine are also available. We are always adding more books, DVDs and Audiobooks to the collection. You can view what is new and what is coming by clicking [here](#).

## Curbside Pickup is Best

Many of our patrons have been using our curbside service and report that it is convenient and fast! Please make your requests by using the [library catalog](#) (best choice), email your requests to Michelle at [leelibraryill@comcast.net](mailto:leelibraryill@comcast.net) (second choice) or calling and leaving a message 659-2626. You will receive a phone call or an email confirming that your items are ready. When the weather is nice, the Curbside Cart is outside on the deck. If not, just pop your head inside and the Cart is right there.

## Book Drop is Open 24/7

All items returned to the library will remain in quarantine for 72 hours or longer before they are checked in to our system.

Join us for these 5 Virtual Programs via Zoom on the first Wednesday of each month.

Hosted by the Lee Public Library and the Lee Historical Society.

## Future Plans for the Library

The Library Board of Trustees have started working on the Renovation and Expansion of the library. Our plan is to renovate the current library and, depending on finances, expand the library with a small addition on the north side of the building.

This plan will allow for an expanded children's area in the front section of the library with space for a librarian's desk, a relocated circulation desk and office, a vestibule for the front door, additional stacks located in the back basement with lift access, and an open concept reading and small group meeting space in the addition.

We hope to feature a three-season deck with comfortable seating to enjoy the natural surroundings and allow access for outdoor programs.
