Yankee Ingenuity: Stories of Headstrong and Resource- ful People Webinar with Jo Radner

Wednesday, October 13, 2021 at
7PM via Zoom

Meeting ID 476 452 0503 Password 675752

Jo Radner shares a selection of historical tales-humorous and thought-provoking-about New Englanders who have used their wits in extraordinary ways to solve problems and create inventions. The stories are engaging and entertaining, but also may raise some profound questions about our admiration of ingenuity and about the ethics of pursuing discoveries without taking their potential outcomes into account. The performance will include discussion with the audience, and may introduce a brief folktale or a poem about inventiveness and problem-solving.

These monthly programs sponsored by New Hampshire Humanities Council, the Lee Public Library and the Lee Historical Society.

Jeff Warner is among the nation’s foremost performer/interpreters of traditional music. His songs from the lumber camps, fishing villages and mountaintops of America connect 21st-century audiences with the everyday lives – and artistry – of 19th-century Americans. “Providing more than just rich entertainment, Jeff will leave you

with a deeper appreciation of the land you live in” (Caffé Lena, Saratoga, NY). His songs, rich in local history and a sense of place, bring us the latest news from the distant past.

Join us for a new series of Webinars hosted by the New Hampshire Humanities Council, the Lee Public Library and the Lee Historical Society. Starting in November on the first Wednesday of the month at 7pm. Zoom.us, Meeting ID 475 452 0503 Password 675752
