## September

### Artist of the Month

Kris Weyrick has been creating felted designs for several years. The pieces range from landscapes to masks to three-dimensional animals. She will be teaching a basic felting class at the library this fall. Her designs will be on display at the library September thru October.

### Found Prints Workshop Wednesday Sept. 20 & 27 6:30-8 p.m.

As the name suggests, this workshop uses random found objects to create a unique negative from which a print or series of prints can be made. In the first class you may select items from those provided or bring your own collection of textures and shapes suitable for pressing. Examples would be yarn, fabric scraps, small beads, leaves, wire or anything that sparks your imagination! These items are used to create a picture or abstract image by gluing them on card stock, thus creating your negative to be used in the second class. In the second class you will apply ink to your negative making a print that can be matted, framed or used in another craft project. **Please register by Friday, September 15 by calling 659-2626.**

### Memoir Writing Workshop Mondays - September thru November 6-7:30 p.m.

Memoirs are *our* accounts of events—things that *we* have experienced. Memoirs may focus on special occasions, a person, place, time, idea, relationship, pet, belief, or place, among many other possibilities. The more you explore and discover, the more engaged you and your readers (if you choose to share your stories) will be.

This series of workshops will be facilitated by Erika Hunter, M. Ed. (author, editor and writing instructor). **This is a 5 week program that will be held on Monday, Sept. 18, Oct. 2 & 23, Nov. 6 & 20.**

**Limited to 10 people . Please register** for this event by calling 659-2626 or dropping by the library.
